

3.4.2 Number of awards and recognition received for extension activities from Government/recognized bodies during the last five years.

Srinivasa Institute of Management Studies has led numerous activities in academic learning knowledge, skills and values not only to the students but also to the faculty. The institution is well-known to deliver quality education with knowledge to all the segments in the society. It continuously focuses on contemporary attitude with progresses without compromising on human values. Its intentions to track brilliance towards generating workforce with advanced degree of knowledgeable, specialized and cultural progress to encounter the national and international challenges.

The foremost objective of carrying the activities is to accredit student community to be socially responsible. The result of the activities benefits to progress the overall student's personality. The NSS programs give value to the students in building of leadership qualities spreading sound health and hygiene, national integration, social service, ecology and environmental protection, etc.

The overview of the extension activities conducted by the NSS unit of the institution for which recognition are extended is explained in brief:

The students are actively participated in various surveys in villages and conducted different awareness programs regarding health, energy saving and environmental safety. The unit also organized tree plantation programs, village cleanliness programs etc..
